

Annual Wind 'er Up & Shut 'er Down Polo Tournament

Springfield Polo Club—Sept 9th, 10th, 11th

Bird's Hill Park, MB (Oakbank)

Tournament Format	The tournament will have levels of play for novice, as well as 2 goal and 4 goal polo. The number of teams in each division will depend on who all is coming.
What to Expect	By this point in September, evenings are cooler, days are still nice, and we expect to see a lot of polo, and have a lot of fun!
Welcome Event	This is the place to be on the Thursday prior. Pick up your info package (after paying your fees), have some refreshments, and pick your Calcutta team. Location TBD.
3 Days of polo	Polo will happen Fri, Sat, Sun with start times to be determined once the final draw is complete. Food will be provided for all players and guests playing social fees. Stick around the field and watch your friends, family, and competitors play each day.
Accommodations	We'll do our best to find spots for people to stay. The more notice we have, the better chance of finding you a warm dry bed. For those interested in bringing an RV, there are many places to park them at the various members' homes, or at famous Bird's Hill Park Campground. We have spaces for all incoming horses, but again, the more notice the better.
Social Events	Friday night - there is nothing prearranged, but options could include swimming, bbq, or travelling to the race track. Saturday night evening social. Details yet to be finalized, but there will be a gathering of some sort.
Fees	See below. Fees include daily lunch & beverages at the field, social gathering Saturday night, windup tailgate party Sunday, horse board, and hay for 3 full days! Fees also include the opportunity to listen to countless polo stories and other tall tales while sipping your favourite bevvvy with great friends one last time before season end!

We know that some will be coming straight from Black Diamond as they'll be playing there the weekend before. Feel free to travel directly here afterwards. There will be extended horse boarding available on a cost recovery basis, as well as a chance to stick 'n ball as you need to.

Fees
